

Roll Over to the Fund

Whatever your age, length of Y service, hours worked, or eligibility in the Retirement Plan, if you currently work for a Y, you can roll over qualified retirement savings into a Rollover Account in the YMCA Retirement Fund's Savings Plan.

Benefits of Rolling Over Qualified Retirement Savings

1 SAFE AND SECURE CHOICE

Your balance will only grow while it's here at the Fund since it is shielded from the volatility of the market. The interest credited to your Rollover Account is the same as all other accounts at the Fund.

2 CONSOLIDATE YOUR SAVINGS

Managing various accounts with different financial institutions can be cumbersome. Consolidating your multiple plans into one account is convenient and easy to manage with the Fund.

3 ACCESS YOUR MONEY

You may withdraw your account at any time. However, unless you roll this money over to an IRA or eligible employer plan, you will be taxed on your withdrawal and if you are under age 59½, you may also be subject to an additional 10% early withdrawal tax.

4 BORROW FROM YOURSELF

While you are working for the Y, you can borrow from your accounts in the Savings Plan. For more information, visit our website at www.yretirement.org.

5 A GREAT ANNUITY

Upon retirement, the Fund can convert those account balances to a lifetime annuity at a rate typically higher than a commercial institution. Rollovers with the Fund for ten years or more will be annuitized at the current rate when you begin receiving your annuity. Rollovers that have been with the Fund for less than ten years will be annuitized at a lower rate.

What types of accounts can I roll over?

For a full listing of the specific accounts that are accepted, please see the accompanying *Rollover Authorization* form on page 2. Rollovers of after-tax contributions from an eligible retirement plan are accepted, but not Roth IRAs.

In general, you may only roll over money that is in your name. However, if you are a surviving spouse and you receive a taxable distribution from your deceased spouse's pension plan, you may also roll it over.

Your Accounts are welcomed here. To begin the process, complete the *Rollover Authorization* on page 2.

ROLLOVER AUTHORIZATION
